by Adam Sanders

**Title:** Alice's Adventures in Wonderland

**Writer:** Lewis Carroll

**Setting:** a magical place called "Wonderland"

**Main Characters:** Alice, a polite and clever little girl.

The White Rabbit, a funny rabbit.

The Queen of Hearts, the queen of Wonderland.

The Hatter, a weird man who wears funny clothes.

The Cheshire Cat, a strange cat that can disappear.

**Favourite Character:** Alice

**Favourite part of the story:** Alice finds a bottle that says: "DRINK ME." She drinks from the bottle and becomes really, really small! Then she sees a cake that says: "EAT ME." She eats the cake and becomes really, really big!

**Why I like this book:** I really like this book because there are a lot of funny characters! One of the funniest characters is the Hatter! I especially enjoyed the part where he talks about fixing his watch with butter! It is a strange watch because it always tells the date, but not the time! Alice goes on a lot of magical and exciting adventures, too!

**BOOK RATING:**

It is an excellent book!
