Easter

Easter is a Christian holiday people celebrate in spring. It all starts on Good Friday when people make hot cross buns and eat them for tea. On Easter Sunday morning, there are Easter baskets full of Easter eggs, chocolates and sweets for children. Families usually have an Easter egg hunt. The Easter Bunny hides Easter eggs in the garden, and children try to find them. It's a lot of fun! Then, families have a big meal with lots of meat and vegetables.
