Hi,

My name is Dan and I'm from London. My favourite comic hero is Captain Britain. He is from Essex in England and his **real** name is Brian Braddock. He is a **brilliant** scientist with a PhD in Physics. Most of the time he is a shy man, but he can **change into** a superhero at any moment. He can see and hear things that other people cannot. He is very fast and strong and he can fly very fast. He is an amazing hero!

Hi all,

I'm Ryan and I'm from Sydney, Australia. My favourite hero is Green Lantern. He is from the planet Oa and he is a special police officer. He is very clever and brave. Green Lantern can do a lot of amazing things. He can understand **nearly** all languages and he can read people's thoughts. He can travel across the galaxy at very high speed and he can become **invisible**. That's why he is my favourite hero.

### Word order

In English, the **subject** (noun, pronoun) is always before the **verb**. *Peter is from London. He is a student.* Adjectives go before the noun (*Tennis is my favourite sport.*), but after the verb to be (*Tennis is easy.*).

- 3** Put the words in the correct order.

- 1 is/Peter/clever – *Peter is clever.*
- 2 my favourite/are/subjects/History and English
- 3 Sue/13 years old/is
- 4 is/karate/sport/her favourite

- 4** Correct the sentences.

- 1 Her sport favourite is hockey.
- 2 Rosa is clever a girl.
- 3 He is old 13 years.
- 4 Maths is my subject favourite.

### Capital letters

In English we use capital letters when we start a new sentence (*He is Qatari*) and for: names (*Tony*), school subjects (*History*), the personal pronoun I (*I'm Tony*), days of the week (*Monday*), months (*August*) and names of cities (*Cracow*), countries (*Spain*) and continents (*Asia*).

- 5** Rewrite the sentences using capital letters where necessary.

- 1 susan is 13. her favourite subject is geography.
- 2 peter and laura are from london in england.
- 3 he is paul and she is anna.
- 4 i am argentinian.
- 5 my favourite day is saturday and my favourite month is january.
- 6 egypt is in africa.

## Linkers *and/but*

- We use **and** to link two similar ideas. *My favourite sports are hockey **and** tennis.*
- We use **but** to contrast two ideas. *I can play tennis, **but** I can't play football.*

**6**

**Link the sentences. Use *and* or *but*.**

- 1 John can play football. He can play basketball.
- 2 He can use a computer. He can't paint.
