

My Grandparents' Favourites

1 Read and match.

My grandma's name is Ada. She's real fun! She's got a beautiful garden. Her favourite flowers are daisies and they're everywhere! My grandma's favourite pet is her cat, Minnie. It's grey and fluffy. My grandma loves bright colours and her favourite colour is yellow. She's sporty, too. Swimming is her favourite sport. She likes cooking and her favourite food is pasta.

My grandpa's name is Ben. His favourite colour is green, but he hasn't got a favourite flower. My grandpa isn't very sporty, but he loves football. We often watch a match together. His favourite pet is his parrot, Eric. It's very clever and it can say a lot of words! Grandpa's favourite food is grilled fish. He likes it a lot.
